**Dear Sir/Madam,**

Systango is proud to disclose its achievements in the AWS Service Delivery Program, a prestigious validation by Amazon Web Services (AWS). This program recognizes AWS Partners with exceptional technical expertise, extensive experience, and a track record of success in delivering specific AWS services to customers.

As part of our commitment to excellence and client satisfaction, Systango has achieved the following specialized designations within the AWS Service Delivery Program:

• **AWS Lambda Delivery Partners:**

This specialization underscores our proficiency in leveraging AWS Lambda, enabling us to build scalable and serverless applications that respond dynamically to varying workloads.

• **Amazon API Gateway Delivery Partners:**

We excel in implementing and managing Amazon API Gateway, empowering us to create secure and scalable APIs that seamlessly integrate with AWS services and external platforms.

• **Amazon CloudFront Delivery Partners:**

Our expertise in Amazon CloudFront allows us to deliver high-performance content and applications with low latency and high transfer speeds globally.

These specializations reflect Systango's dedication to maintaining the highest standards of technical competency and customer satisfaction in our AWS service offerings. By achieving these distinctions, we demonstrate our capability to deliver reliable and innovative solutions that meet the evolving needs of our clients.
